

Reference Letter

To whom it may concern,

I am writing this in reference to Anggun Caksono.

During the Developer Handal (DevHandal) organized by CODEPOLITAN and Alibaba Cloud, Anggun Caksono showed dedication and skill in completing all tasks and effectively using Alibaba Cloud ECS. His/Her ability to convey complex technical concepts was evidenced in his submissions, which recognized as one of competent participants.

Anggun Caksono's knowledge and technical skills make him an asset to any team in the Information Technology department.
